### VI. PUBLIC HEARING

**A. Appeal of the decision of denial for a retail marijuana license; Tract A, Sonne PUD, 0.25acres, zoned Sonne PUD. (PLN21-084/Zachary Becker) Upper Blue Basin.**

Sid Rivers gave a background to the application, including neighbor concerns, location and proximity to the residential neighborhood, Sheriff comments, site plan, parking, criteria for decision, history of retail marijuana in Summit County, neighborhood designation, needs and desires of inhabitants of the neighborhood, and staff review. She noted that staff recommends denial of the appeal.

Commissioner Pogue asked about impacts around transportation and traffic, and Ms. Rivers noted that those impacts would be addressed in a different part of the process.

Zachary Becker, applicant, gave a background to the business.

David Foster, attorney for the applicant, gave a history including Summit County's approval of Amendment 64 allowing for retail marijuana sales, the process for approval including meeting with the Sheriff and initial denial. He also addressed comments from members of the public, the criteria for decision, transportation, proximity to other retail marijuana stores, the bus stop, proximity to residences, and responded to the letter from the Sheriff's Office.

Commissioner Lawrence opened the hearing for public comment.

Tanya Becker, Sam Becker, and Bruce Becker shared their history in creating Treeline, and noted that the industry has made great strides in recent years. They asked to keep the process moving forward, and noted that they have been working through all steps of the application for almost two years.

Julie Olsen, Tim Huiting, Nimi Koch, Kathy Rogg, Gretchen Davis, Rebecca Richmond, Doyle Richmond, Mark Matthews, Jan Selinfreund, Valerie Thisted, Don McCoy, Aaron Parmet, Martin Sundquist, Patti Banks, Frankie Hood, Mike Lueck, Julie Sabor, David Oetting, Jay Allen, Kathy Kort, William Fuller, Jeremy Deem, Kimberly Qualizza, Reid Roberts, Betsy Allen, Scott Jardon, Park Learned, Ken Riley, Matt Reynolds, David Koch, Cindi Kelly and Randall Stout all spoke in opposition to the appeal. They voiced concerns including but not limited to neighborhood harmony, the danger for pedestrians at the intersection where the business would be located, parking issues, tourists smoking in the resort where it is not allowed, additional traffic, mental health concerns, lack of neighborhood support, proximity to children, proximity to a bus stop, costly cleanup when visitors smoke in rental units, neighborhood character, how the applicant's survey was conducted, police coverage, lack of need for a dispensary, damage to Keystone's family-friendly reputation, and distance to the nearest residential neighborhood.

Lesley Davis, Mike Lewis, James Davis, Amy Armstrong, Glenn Armstrong, Greg Goldberg, Terryn Tyler, Carly Griffith, Emily Durbin, William Eby and Noah Landwehr all spoke in favor of the appeal. They cited considerations including but not limited to the dispensary creating jobs, increasing tourism, generating tax revenue, that it would be a locally-owned small business, the importance of including the voices of Montezuma residents due to their proximity to Keystone, that smoking is not the only way to consume cannabis, access to dispensaries for Summit County residents without vehicles, and support for the Beckers as individuals. They also noted that this is a well-regulated industry and that this is a license application, not a site plan.

Commissioner Lawrence closed the hearing for public comment.

Mr. Foster addressed some of the public comments. He noted that many of the concerns voiced would be answered in the site plan, and reiterated that this is a hearing for the license appeal only.

Commissioner Blanchard thanked everyone who spoke. He noted that there are challenges to health and safety and the desires of the adult inhabitants of the area.

Commissioner Pogue noted that for her, the key issue is whether the application is in harmony with the surrounding area and based on the comments, it does not seem to be.

Commissioner Lawrence noted that she is passionate about this topic, based on her personal history, and she does not believe that family-friendly areas and marijuana dispensaries are mutually exclusive.

Jeff Huntley noted that the recitals in the draft resolutions for both approval and denial contained an incorrect statutory citation and stated the correct language for both.

**MOTION: A motion was made by Commissioner Blanchard and seconded by Commissioner Pogue to deny PLN21-084; Retail Marijuana License; Tract A, Sonne PUD, 0.25 acres, zoned Sonne PUD, with 4 findings and 0 conditions as stated in draft Resolution 2021-73 (PLN21-084/Zachary Becker)(Snake River Basin).**
