

Fee Policies and Procedures for the Use of the Summit County Community & Senior Center Meeting Room Facilities

I. Purpose. The purpose of these policies and procedures (“Fee Policy”) is to establish guidelines regarding the charging of fees for the meeting room facilities of the Summit County Community & Senior Center (the “Center”).

II. General Policy. It is the policy of the Board of County Commissioners of Summit County, Colorado (the “County”) to promote the use of the Center’s meeting rooms (the “Meeting Rooms”) in a manner that makes such facilities available to various aspects of the Summit County Community, and still presents a viable fiscal means of defraying the costs of operation of the facility. Accordingly, the Meeting Rooms in the Facility shall be made available for use, subject to the fee schedule set forth below, by all members of the general community, including without limit County departments, County sponsored organizations, various civic and community based groups, as well as private organizations and personal functions, subject to availability, and for meetings related to government or civic operations and issues. Use and operation of the Meeting Rooms is specifically subject to the Memorandum of Understanding between the Summit County Senior Citizens, Inc. (“Seniors”) and the County dated June 12, 2000, as it may from time to time be amended (the “MOU”). These policies supersede any existing policies and procedures for the Center.

III. Facilities Available to the Public. The Center’s Meeting Rooms shall be available for use during the normal operating hours of the Center for noncommercial and commercial use by the general public, including: public or private nonprofit organizations, civic organizations, religious groups, community oriented groups, and residents of Summit County. All meetings or activities require a damage deposit and those that extend beyond normal business hours require an additional key deposit unless exempted by special action by the County Manager or his/her designee.

Meeting Room users may not conduct any illegal activities on the premises nor may users engage in activities which, in the sole opinion of the County, create excessive noise or other disturbances, or risk of injury to persons or property. Provided, nothing herein shall be deemed to create a duty on the part of the County to inspect, police, or otherwise regulate the activities conducted on the premises. In no event shall any use disrupt, interfere or impede the operations of the Center.

A complete description of the six (6) Meeting Rooms, seating capacity, and available equipment may be obtained from the Center’s staff.
