

Trust Fund is open to Veterans who live in Summit and Grand Counties!

2017-2018 VETERANS TRUST FUND

American Legion Post 88; Granby, is happy to announce that grant funds/money is available for Veterans in need of financial assistance.

Funds are made available from the Colorado Board Veterans Affairs through the Veterans Trust Fund.

The VTF is not an entitlement program and not a VA benefit. It is in place to offer assistance to our local Veterans in need within the strict guidelines set out by the CBVA.

Veterans in need may apply for assistance for necessities, i.e., mileage for travel to medical/dental appointments, firewood, propane, electric, food, mortgage/rent, mental health, etc. For travel reimbursement, you will need to obtain a form from the VSO. To apply for assistance contact Grand/Summit County Veteran's Service Officer, Duane Dailey. Distribution of funds will be controlled by the American Legion Post 88, VTF committee.

To begin the process, if you have not applied for VTF assistance in the past, you will need to get a copy of your DD-214 to the VSO office. In addition to veterans, widows of veterans may receive VTF assistance. We will need deceased veterans DD-214 and proof of marriage during military service. Requests for assistance will be accepted at the CVSO office, in Hot Sulphur Springs, during regular office hours: 830am-500pm. (Call 970-509-9024) for appointment to ensure VSO is in office), or contact any member of American Legion Post 88.
