

**PUBLIC NOTICE
SUMMIT COUNTY GOVERNMENT
REQUEST FOR PROPOSAL**

Summit County Government is receiving proposals from qualified companies for the following work:

- Furnish, install, and provide training on the operation of four (4) school zone speed limit signs with programmable flashing beacons, at locations in Summit County as directed by Summit County Road & Bridge staff
- Furnish, install, and provide training on the operation of two (2) movable, battery powered radar speed limit signs

Submissions will be received at the office of the Road & Bridge Department, 0037 Peak One Drive, Frisco, CO, 80443 until 10:00A.M. MST on June 23, 2021. Electronic submissions will be accepted using the procedures described in the Instructions for Bidders.

The Summit County Board of County Commissioners reserves the right to reject any or all proposals, to waive irregularities or informalities, and to conduct such investigations or negotiations as it deems necessary to select the most responsible and responsive bid.

For additional information or bid submission, please contact Robert Jacobs, PE, Summit County Engineer/Road & Bridge Director, at Robert.Jacobs@summitcountyco.gov or 970-668-4212 or visit the County website at <http://www.summitcountyco.gov/bids.aspx>.
