

Dillon Reservoir Recreation Area (DRRA)

The Dillon Reservoir Recreation Committee (DRReC) is an interagency committee that manages the Dillon Reservoir Recreation Area (DRRA), which includes the surface of Dillon Reservoir and many of its adjacent properties. All commercial uses and events occurring within the DRRA require appropriate permissions from the DRReC and other jurisdictional agencies. If you are unsure whether your activity requires a permit, contact DRReC staff at (970) 668-4065.
