### Questions & Answers:

**Bid Number: SRWWTP 2023-003**  
**Flow Equalization Basin Concrete and Sealant Repairs**

1. **Q.** – When was the Snake River WWTP flow equalization pond last repaired:  
**A.** – 2009
2. **Q.** – Are dates and times of service to be performed negotiable?  
**A.** – Services to be performed **MUST** begin on or before Monday, September 25, 2023 and **MUST** be completed within 30 days. Services **MUST** allow for all required repair products to be applied to manufacturers recommended timetables and temperatures.
3. **Q.** - Is this a standard or prevailing wage project?  
**A.** – Summit County Government pay contract amounts not wages. We have no policies that require prevailing wages for this project.
