for  
Mesa Cortina Pile Reconstruction  
June 7, 2023**

County staff received the following questions for the Mesa Cortina Slash Pile Reconstruction and Consolidation.

**Q: How many attendees attended each site visit?**

A: We had one potential bidder at each site visit (May 30 and June 6) for a total of two potential bidders.

**Q: Can operations at Mesa Cortina be non-continuous (ie 2 weeks on, 2 weeks off, 2 weeks on)?**

A: Yes, operations can be non-continuous, so long as the project is completed by October 1, 2023.

**Q: Can you provide a price range or set budget for this project?**

A: We do not have a specific budget and, to keep bids competitive, we do not provide price ranges. We also do not have a comparable project to provide bid ranges from past projects.
